Teaching Offensive and Defensive Basketball Fundamentals

Learning Through Quality Repetitions
Dear Player/Parent:

Welcome to the Ninth Annual Bomber Boys Basketball Camp. Our players and staff are excited about the opportunity to help you improve your basketball skills this summer in our newly remodeled and air conditioned facility!

In order for players of all abilities to improve, our camp is designed to teach players the proper offensive and defensive fundamentals of the game by providing each participant with quality repetitions while under constant supervision. Each camper will receive excellent instruction in both individual and team concepts as well as relevant drills designed to emphasize these skills. Through both skill development and competition, we seek to instill the desire it takes to become a successful player and person.

We look forward to seeing you in the gym this summer. If you have any questions about our camp, don’t hesitate to contact us.

Sincerely,

Coach Streufert and Booster Camp Staff
