

Richland School District

HIGHLY CAPABLE SCREENING AND QUALIFYING

Assessment Plan

K-8 Highly Capable Program	HI-CAP Screening and Qualifying for Grades K-8											
	Identification and placement of students for building based programs occurs in the winter for subsequent year's placement. Students enrolled from previous year will be automatically rolled up unless withdrawn or exited. Newly referred students must have signed consent form on file to be assessed for HI-CAP. Students entering kindergarten will be referred and assessed in the fall.											
	HI-CAP Screener for Qualifying					HI-CAP Qualifying Cut Scores. Using these assessments as the criteria for HI-CAP requires prior parental consent.						
	Grade When Referred	Reading		Math		Reading/Math		Cognitive Test		Teacher Survey		Test Window
		Assessment	Score	Assessment	Score	Assessment	Score	Assessment	Score	Assessment	Score

QUEST Program 3-5 at Lewis and Clark	QUEST Program Screening and Qualifying for Grades 3-5											
	Identification of students for the QUEST Program will be annual and will occur in February. Students enrolled from previous year will be automatically rolled up unless withdrawn or exited. Students must be referred and have a signed consent form on file to be assessed for the QUEST Program. Students meeting the qualifying criteria in all areas will be placed on a rank ordered list and offered QUEST Program services on a space available basis.											
	HI-CAP Screener for Qualifying					HI-CAP Qualifying Cut Scores. Using these assessments as the criteria for HI-CAP requires prior parental consent.
