

5th Grade Choir Sign up 2008-2009

Choir will be set up just a little different than in years past, so please read carefully. Choir will be offered to both 4th and 5th grade students, however, they will have different rehearsal times. 5th grade choir will rehearse from 8:50-9:20 AM on Wednesday AND the students will choose to come in during their lunch recess or after school on Monday. Students DO NOT need to attend BOTH Monday rehearsals – simply pick the one that works best for your family schedule and mark below. Students will receive a grade for their participation in choir. This grade is based on regular attendance, effort, and performance attendance. Choir is an incredibly rewarding and fun experience.

It is easy to sign up! Fill out the form below and return it - it can be returned to Mrs. Rose or even your student's classroom teacher.

Choir will start Wednesday, September 3.
