PTSA Co-Presidents' Message

Calleen Antilla and Priscilla Cadwell

The PTSA at Richland High School would like to announce that on April 16 the General Membership elected the 2007-2008 Executive Board. The elected officers are:

Co-Presidents: Robert and Lynne McAdoo

Vice-President: Calleen Antilla

Secretary: Heather Unwin

Treasurer: Carolina Farmer.

We had a very successful April meeting. We discussed revisions to the proposed budget for 2007-08, modifications to the standing rules, and heard reports from committee chairpersons. We agreed to call the May 14 RHS PTSA meeting a General Membership meeting to seek approval for the operating budget and the standing rules. Please join us and voice your opinion on May 14 at 7 p.m. in the RHS Career Center.

We also agreed to have a final "transitional meeting" on June 4 at 7 p.m. in the Career Center. We are requesting all current committee chair-persons who are not continuing in their position to come and turn in their notebooks. If you are interested

in volunteering next year for a committee, please contact Calleen Antilla (628-8586).

We appreciate everyone who has stepped up to chair a committee or to help in a committee. Without the wonderful volunteers we have at RHS we could not be as successful.

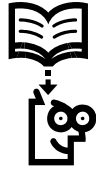

The current executive board would also like to take this time to thank you, the parents, PTSA members, students, staff and teachers for supporting our PTSA this year. We would also like to thank all of you who continue to use your Albertson's community partner's cards as well as the new E-scrip cards from Safeway and Yokes. (Don't forget to use your cards throughout the summer.) The money we earn from these cards allows us to fund this newsletter, health advocacy, reflections contest, scholarships, hospitality to our teachers and staff, as well as the senior graduation party we be hosting this year on June 1.

The RHS PTSA is looking forward to seeing you all next year. Have a great summer!

RHS PTSA Drug and Alcohol Committee update.... from De Anna Winterrose

On April 16, Richland High PTSA held a parent education workshop: Meth 101. We had a great turnout from PTSA members and the community. Those in attendance learned about the different methods, chemicals, and dangers associated with making meth, as well as the tell-tale signs of meth production. We would like to thank Detective John Hansens of the Richland Police Department, for his informative presentation.

Parents are encouraged to contact our Drug and Alcohol Awareness chair, De Anna Winterrose (6winter@msn.com or 628-8802), if there is a subject you would like to see addressed in next year's parent education workshops.
