Parents and caregivers should use the following questionnaire to assess the health status of their child on a daily basis.

**Does your child have:**

1. Fever (100°F or greater)? Yes No
2. Sore throat? Yes No
3. Cough? Yes No
4. Nasal congestion? Yes No
5. Runny nose? Yes No

**SHOULD I KEEP MY CHILD HOME?**

- If you checked YES for fever (100°F or higher) or fever AND one of the other symptoms, **keep your child home for 24 hours after the last episode**. If you have questions about your child’s health or symptoms, call your healthcare provider.
- If you child has been diagnosed by a healthcare provider with a different disease, such as strep, follow your healthcare provider’s recommendation for when to return to school.

**WHAT SHOULD I TELL MY CHILD’S SCHOOL?**

- If you checked YES for fever (100°F or higher) or fever AND one of the other symptoms, call your child’s attendance office to let them know what symptoms your child has and that they will not be at school.
- If your child has been diagnosed by a healthcare provider with a different disease, such as strep, tell your child’s attendance office.

**Stop the Spread:**

- Wash your hands
- Cover your cough
- Stay home if you are ill
