Richland Girls Basketball Program for Summer 2016

Cindy McCoy: Varsity Basketball Coach  cell phone: 430-2035  mail: cidmccoy@gmail.com

To print out all forms go to: www.rsd.edu/camps (won’t be available until May)

Participation in the basketball summer program is optional but recommended. (For those players who would like to attend team camp in Oregon the practices and RHS camp two weeks prior to team camp are mandatory in order to attend). Those who participate in the summer program will be given the opportunity to continue to work on improving their individual skills. Participation does not guarantee a spot on a team when tryouts occur in the fall but typically those who have been working hard on their basketball techniques and skills over the summer are much more prepared when fall arrives. Not participating does not exclude you from a team come fall. However, keep in mind that if I have not seen you at a summer activity or heard from you from end of this season until next November that conveys a strong message to me.

We look forward to seeing you out this summer. Don’t let this quote apply to you, “A year from now you’ll wish you had started today.”

Thanks, Coach McCoy
